Abstracts From The Probate Files and Records Found in Rusk County, Texas 1843-1878

**Abstracted and Compiled by:
John R. Dulin**

Rusk County Historian, John R. Dulin spent many years abstracting and compiling the entries for this book on the Rusk County Probate Files and Records. He used all available records that still exist in the Rusk County Courthouse. These include the original Probate Packet Files, the Probate Record Books, the Probate Minute Books, and some of the District Court Minute Books. The book is 300 pages with a soft cover. The 29 page index contains the full name of each probate file and all other surnames mentioned in the entries. John also provides a list of the Rusk County Judges, District Attorneys, Attorneys, Sheriffs, and County Clerks during this time period.

The book is dedicated to those whose names appear in the book, both notable and forgotten; who came and settled Rusk County, and left a small bit of themselves in passing.

The cost of this 300 page, soft-cover book is \$30.00.
